## Talent for the future

Coach Terry Lynch concentrated on building a very competitive cross-country team for next year. Four of five lettermen will return to the '66 team, with only Jim Wagner graduating.

Neenah split its two duals and finished well in several invitational meets, involving up to fourteen squads. The Rocket runners gathered second place in the conference test and seventh in the Wausau sectional.

Heading the list of hopefuls for the coming season are lettermen Pat Schaller (the captain-elect), Ted Hill, Terry Olson, and Tom Oltmanns.

Terry Olson jogs past a course marker.

Jim Wagner steadies his lead over a challenger.
