A sport to which little notice been given in the past is rapidly coming one of the high spot athletic achievement at Neenah High. The honor of a trip to the state is now commonplace for the runners and-dalers who, this year, under the guidance of coach Doug Lindsey, placed fourth in the conference. With ever-increasing interest in the sport and many fine newcomers on the team, prospects look better than ever for the county team next season.

Schaller and Lindsey lead the pack for Neenah

Terry Olson, exhausted, finishes a grueling run.
