

## ROADRUNNERS RANK

"In Cross Country whether you win or lose, you are the only one to blame or praise, while in football or basketball is a team effort all the way." This belief, expressed by one of the senior members of the team, is what motivates Cross country participants to work their hardest in practices and rally go all-out to win a meet.

The runners advanced and took 2nd in Conference to Kaukauna whom they had beaten a few days earlier. The team then ran on to take 5th place in the Sectionals.

Next year it will be the responsibility of this year's up-and-coming JV team, along with three returning lettermen, to set Neenah's pace in our new conference.
