

# Great Year for Harriers

Neenah's Cross Country Team had another good year. In local competition they repeatedly came in with seconds and thirds to end up with a good standing in the conference, and in the state meet they again came in with an impressive fourth.

Eric Murphy and Tom Smith were our outstanding harriers this year. Eric won six firsts and two seconds in twelve meets and he came in eighth in the state meet. Tom Smith won a strong second for most of the season, and he finished sixth overall in the state meet.

A great year for Neenah's Cross Country Team, especially considering that there was only one seasoned veteran (Tom Smith) on the team.

## CROSS COUNTRY
