

IMPROVEMENT MARKS BOYS' CROSS COUNTRY '85

Placing second in the Fox Valley Association conference meet and fourth in the WIAA sectional, the Rocket boys' cross country team finished a season that was marked by continued improvement over 1984. Marty Netzel took second place honors in the FVA meet behind Menasha's Tom Severson who went on to compete at state.

Netzel was named to the All-Fox Valley team and was voted MVP. Jeff Wheeler and Scott Meulemans were named co-captains. Wheeler also received the Spirit Award while Alex Scribner was named Most Improved. Meulemans, Scribner and Jeff Reeve received honorable mentions on the All-FVA team.

Marty Netzel rounds another corner as he begins to get ready for the sprint that led him to victory in many races.
