Neenah running tough.

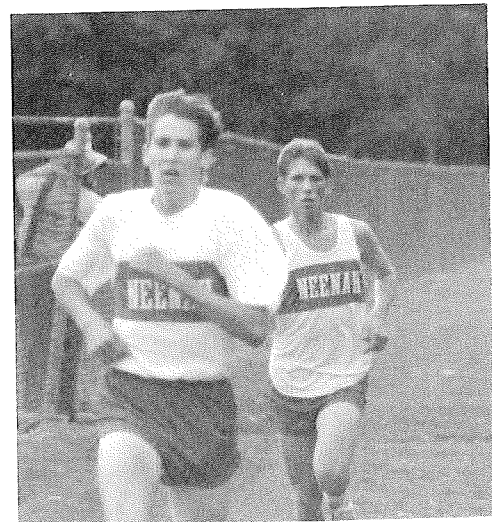

The Neenah Boys Cross Country team had one of the finest starts in their history. They were undefeated in their first five meets of the season. Early morning practices and breakfasts added to the great successes the boys enjoyed. The highlight of the season was their first place finish at the Wauwatosa East Invitational as well as edging Fond du Lac to capture first place at conference, contributing to a Neenah sweep. The boys just missed qualifying for state by three points, but are sure to come back a strong team for next year. Tom Syverud, Rhett Weyenberg, and Tyler Schultz were voted to FVA all conference team.

A pre-meet stretch.

Ben Hamblin makes a run for the border.

Eric Drumm and Bret Weyenberg are pulling away.
