IT'S ON TO RAPIDS!

Neenah's cross country teams advance to state

By Brett Christopherson
Neenah Citizen

John Morgen credited last year's disappointment and Ron Fedenko said it was leadership.

Whatever works, right? Equalling their impressive performances at the Oct. 15 Fox Valley Association meet, the Neenah boys' and girls' cross country teams each earned a berth in the WIAA Division 1 state tournament after both finished first in their respective sectional meets last Saturday in Manitowoc.

Rockets cross country

The Neenah boys wound up with 49 points, well in front of runners-up Oshkosh West, who had 67, while the girls finished with 55 points. Sheboygan North was second with 80.

The top two teams and the top seven individuals from sectional competition qualified for state.

It's the first trip to state for the boys since 1996. Last year, the Rockets struggled in the conference and sectional meets which ultimately cost them a berth.

"It was good meet for us," Morgen, the boys' coach, said. "The encouraging thing is that we still had runners step up in the places of others. Hopefully at state, everyone of our runners will have their best day. It will be interesting to see where we can place.

"Last year, things just fell apart for us at conference and sectionals. The kids really focused this year to make sure that didn't happen again. We've had a strong season throughout, and our emphasis has been on the later meets." "Our leadership has just been exceptional," said Fedenko, who coaches the girls. "Our seniors worked hard last year, and even though some of them don't run on var-

sity, they set the tone. They pushed our younger girls and have been a real key."

The state meet takes place Saturday, Oct. 31, at Ridges Golf Course in Wisconsin Rapids. The boys begin at 11 a.m. while the girls get started at 12:45 p.m.

Neenah's Evan Bosetti finished first individually at the sectional meet with a time of 16:34, out-dueling his main rival, Oshkosh North's John LeRoy, who was second in 16:42.

At the FVA meet, LeRoy was first and Bosetti second. "Evan was real prepared (for the sectional meet)," said Morgen. "At the FVA meet, he was boxed in a little. At the mile mark, LeRoy surged ahead. At sectionals, Evan really did a nice job positioning himself, and he was able to go with John."

Adam Christinovich was next with a time of 16:51, good enough for a sixth-place finish. Rounding things out were Al Henschel (13th, in a time of 17:10), Mike Hillstrom (14th, 17:12), and Jason Olson (15th, 17:14).

Betsy McDonald paced the Neenah girls with a fourth-place finish thanks to a time of 15:20. Amanda Smith was seventh in a time of 15:33.

Jenna Smith (10th, 15:53), Kate Petersen (13th, 15:59), and Becky Probst (21st, 16:22) rounded out the Rockets' scorers.

As for state, both coaches feel confident their squads will fair well.

"Well, it's difficult to say," Morgen said. "You try to compare the different (sectional) times (from the other teams at state), but the courses are different. The clear-cut favorite is Stevens Point, and then there is a pack of teams who can finish from second to sixth. I think we're one of those teams."

Said Fedenko: "I really don't know how we'll do. It really depends on how we run. If we're aggressive, like we were at sectionals, then we'll do well. If we lay back, then we'll struggle. Overall, though, I expect us to finish among the top-half of teams, maybe even higher."
