Note: A sports physical does not replace a Child Well Visit in your medical home. A sports physical performed as part of a Child Well Visit is a more comprehensive assessment of a child's readiness to participate in sport. ThedaCare Orthopedic Care encourages families to establish and maintain relationships with your primary care providers to ensure optimal health maintenance, vaccinations and preventative screenings.

If your child needs to catch up on immunizations, ThedaCare pharmacists will be available. Charges may apply. Any questions call 920.454.3200.
